Disclaimer:

1. **The President, Sadbhavana Gramin Vikas Sanstha (SGVS), Wardha District, Maharashtra**, hereinafter referred to as ‘‘**Tender Inviting Authority (TIA)** has issued this Notice Inviting Tender (hereinafter referred to as the Tender Document) under the project titled **“SBI Gram Saksham – Rejuvenation of Sawangi Nala for sustaining rural livelihood”** Umred Block (Taluka Umred), District Nagpur which is implemented by Sadbhavana Gramin Vikas Sanstha (SGVS) with the support of SBI Foundation through CSR intervention.

b) **This tender document has been prepared** with intent to invite prospective applicants/bidders and to assist them in making their decision of whether or not to submit a bid. It is hereby clarified that this tender is not an agreement and the purpose of this tender is to provide the bidder(s) with the information to assist them in the formulation of their bids. This tender document does not purport to contain all the information bidders may require. This tender may not be appropriate for all persons or entities and **it is not possible for the TIA to consider the investment objectives, financial situation and particular needs of each bidder.**

c) **TIA has taken due care in preparation** of information contained herein. However, this information is not intended to be exhaustive. The interested bidders are required **to make their own inquiries** so that they do not solely rely on the information contained in this tender document in submitting their bids. This tender document includes statements, **which reflect various assumptions and assessments arrived** at by the TIA in relation to the project. **Such assumptions, assessments and statements do not purport to contain all the information that each bidder may require.**

d) This tender is not an agreement by or between the TIA and the prospective bidders or any other person and the information contained in this document is provided on the basis that it is non-binding on the TIA, any of its authorities or agencies, or any of their respective officers, employees, agents, or advisors. The TIA makes no representation or warranty and shall incur no liability under any law as to the accuracy, reliability or completeness of the information contained in the tender document. Each bidder is advised to consider this document as per his understanding and capacity. The bidders are also advised to do appropriate examination, enquiry and scrutiny of all aspects mentioned in this document before bidding. The bidders are also requested to go through this tender document in detail and bring to notice of the TIA, any kind of error, misprint, inaccuracies, or omission in the document. **The TIA reserves the right not to proceed with the project, to alter the timetable reflected in this document, or to change the process or procedure to be applied. It also reserves the right to decline to discuss the project further with any party submitting a bid.**

e) **No reimbursement of cost of any type will be paid to persons or entities submitting a bid.** The bidder shall bear all costs arising from, associated with or relating to the preparation and submission of its bid including **but not limited to preparation, copying, postage, delivery fees, expenses associated with any demonstrations or presentations** which may be required by the TIA or any other costs incurred in connection with or relating to its bid.

f) **This issue of tender does not imply that the TIA** is bound to select and technically qualify bids or to appoint the selected bidder, as the case may be, for the project and it reserves the right to reject all or any of the bids without assigning any reasons whatsoever.

g) **The TIA may, in its absolute discretion** but without being under any obligation to do so, update or amend the information contained in this tender document before bid submission deadline.

h) The TIA, its employees and advisors make no representation or warranty and shall have no liability (for any cost, damage, loss or expense which may arise from or is **incurred or suffered on account of anything** contained in this tender document or otherwise, **including but not limited to the accuracy, adequacy, correctness, completeness or reliability of the tender document and any assessment, assumption, statement or information contained** therein or deemed to be part of this document or arising in any way with eligibility of bidder for participation in the bidding process) towards **any Applicant or bidder or a third person, under any law, statute, rule, regulation or tort law, principles of restitution or unjust enrichment or otherwise.**

i) **The TIA also accepts no liability of any nature whether resulting from negligence or otherwise caused arising** from reliance of any bidder upon the statement contained in this tender document.

j) **Interested bidders, after careful review of all the clauses of this 'Notice Inviting Bid', are encouraged to send their suggestions** in writing to the TIA. Such suggestions, after a review, may be incorporated into this tender document as a corrigendum, which shall be uploaded onto the e-tendering website **http:// www.sadbhavanagvs.org.in**

1. Invitation of Bid :

The President, Sadbhavana Gramin Vikas Sanstha (SGVS), Wardha District, Maharashtra, Inviting Tender under the project titled **"SBI Gram Saksham - Rejuvenation of Sawangi Nala for sustaining rural livelihood"** Umred Block (Taluka Umred), District Nagpur which is implemented by Sadbhavana Gramin Vikas Sanstha (SGVS) with the support of SBI Foundation through CSR intervention. Wardha District, Maharashtra
Thakare Market, Wardha - 442001
Website: http:// www.sadbhavanagvs.org.in

2. Instructions to Bidders:

This section includes all the important information required to bid for this project.

2.1 General Information and Guidelines

a) The TIA invites bids from eligible bidder as per the Scope and Technical Criteria mentioned in this tender document.
b) The TIA reserves the right to extend the term on mutually agreed terms at the sole discretion of the TIA, subject to any obligations under applicable law.
c) All information supplied by the bidder may be treated as contractually binding on the bidder, on the successful award of the assignment by the TIA on the basis of this tender document.
d) No commitment of any kind, contractual or otherwise shall exist unless and until a formal written contract has been executed by or on behalf of the TIA. Any notification of preferred bidder status by the TIA shall not give rise to any enforceable rights by the bidder. The TIA may cancel this public procurement at any time prior to a formal written contract being executed by or on its behalf.
e) This tender document supersedes and replaces any previous public documentation & communications, and the bidder should place no reliance on such communications.
f) All figures of costs, project values and others should be mentioned in Indian Rupees only.
g) No bidder shall submit more than *one Bid* for this tender.

2.2 Corrigendum / Amendment to the Tender

At any time prior to the deadline (or as extended by the TIA) for submission of bids, the TIA for any reason, whether at its own initiative or in response to clarifications requested by the bidder, may modify the tender document by issuing amendment(s) or issue additional data to clarify an interpretation of the

provisions of this tender. Such supplements, amendments / corrigendum to the tender document, issued by the TIA would be displayed on **Website: http:// www.sadbhavanagvs.org.in** and shall be deemed to be incorporated by this reference into this tender document.

2.3 Bid Preparation Cost

The bidder shall be responsible for all costs incurred in connection with participation in the tender process, including, but not limited to, costs incurred in conduct of informative and other diligence activities, participation in meetings/discussions/presentations, preparation of bid, in providing any additional information required by the TIA to facilitate the evaluation process, and in negotiating a definitive Service Agreement (SA) and all such activities related to the bid process.

2.4 Right to Termination

The TIA may terminate the bid process at any time and without assigning any reason. The TIA makes no commitments, expressed or implied that this process will result in a business transaction with anyone. This tender document does not constitute an offer by the TIA. The bidder's participation in this process may result in the TIA selecting the bidder to engage towards execution of the contract. In the event of such termination, EMD of all bidders shall be returned, without any interest.

3. Bid Submission Instructions

3.1 Bid Submission

a) The bidder shall submit the bid in Hard copy to office address on or before due date.

b) The bids submitted, shall comprise of the following 2 envelopes:

- A Two (2) envelope/ cover system shall be followed for the bid:

The Technical bid must be submitted as per the instructions and in this tender document. Following documents are mandatory and should be submitted in Hard copy.

a) Tender Acceptance Letter: Form -1
b) Bidder information: Form -2
c) Details of Experience/Performance Statement: Form -3
d) Turnover certificate or TDS return issued by chartered accountant firm – Form 4
e) GST registration certificate
f) Declaration: Form-5 (To be given on **Rs. 500 Non judicial Stamp Paper**).
g) As per mentioned in the tender documents.

Non-submission of the required documents or submission of the documents in a different format/contents may lead to the rejection of the bid submitted by the bidder.

3.4 Financial Bid (Envelop - B)

1. Financial/price offer must be submitted in BOQ format.

3.5 Corrections / errors in Financial Bid

1. The bidders are advised to exercise adequate care in quoting the prices. No excuse for corrections in the quoted figures will be entertained after the last date for submission of bids.

3.6 Conditions under which Tender is issued

A. This tender document is not an offer and is issued with no commitment. The TIA reserves the right to withdraw the tender document and change or vary any part thereof, at any stage. The TIA reserves the right to disqualify any bidder, should it be so necessary at any stage.

B. Neither the bidder nor any of the bidder's representatives shall have any claims whatsoever against the TIA or any of their respective officials, agents, or employees arising out of or relating to this tender document or these procedures (other than those arising under a definitive service agreement with the bidder in accordance with the terms thereof).

C. Until the Contract is awarded and during the validity of the Contract, bidder shall not, directly or indirectly, solicit any employee of the TIA to leave the office or any other officials involved in this tender process in order to accept employment with the bidder, or any person acting in collusion with the bidder, without prior written approval of the TIA.

3.7 Right to the content of Bids-

All bids and accompanying documentation of the technical bids will become the property of the TIA and will not be returned after opening of the technical bids. The IA is not restricted in its rights; to use or disclose any or all of the information contained in the bid and can do so without compensation to the

bidder. The TIA shall also not be bound by any language in the bid indicating the confidentiality of the bid, or any other restriction on its use or disclosure.

3.8 Non-Conforming Bid

A bid may be construed as a non-conforming bid and ineligible for consideration if:

1. It does not comply with the requirements of this tender document.
2. It does not follow the format requested in this tender document or does not appear to address the requirements as specified by the TIA.

3.9 Disqualification

The bid is liable to be disqualified in the following cases or in case the bidder fails to meet the requirements as indicated in this tender document:

1. The bid is not submitted in accordance with the procedure and formats prescribed in this document or treated as non-conforming bid.
2. During the validity of the bid, or its extended period, if any, the bidder increases the quoted prices.
3. The bidder qualifies the bid with own conditions.
4. The bid is submitted in an incomplete form and not quoted for all the items/services.
5. The information submitted in the Technical bid is found to be misrepresented, incorrect or false, accidentally, unwittingly or otherwise, at any time during the processing of the Contract (no matter at what stage) or during the tenure of the Contract including the extension period, if any.
6. The Financial bid is enclosed with the Technical bid.
7. The bidder tries to influence the bid evaluation process by unlawful/corrupt/fraudulent means at any point of time during the tender process.
8. In case anyone bidder submits multiple bids or if common interests are found in two or more bidder, the bidder are likely to be disqualified.
9. Any form of canvassing / lobbying / influence / query regarding short listing etc. will be treated as disqualification. While evaluating the bids, if it comes to the TIA's knowledge expressly or implied, that some bidder may have colluded in any manner whatsoever or otherwise joined to form an alliance resulting in delaying the processing of bid, then the bidder so involved are liable tobe disqualified for this Contract as well as for a further period of four years from participation in any of the tenders floated by the TIA.

10. If the Technical bids contains any information on price, pricing policy, pricing mechanism or any information indicative of the financial aspects of the bid.

4. Bid opening and Evaluation process

4.1 Bid Opening

Bids are opened on the date and time specified in the tender notice.

4.2 Opening of Envelop – A (Technical Bid)

Envelope No. A (Technical bid) of the bidder will be opened through-tendering procedure.

4.3 Evaluation of Technical Bid

The evaluation of the technical bids will be carried out in the following manner:

1 The bidder' technical bid will be evaluated as per the requirements and evaluation criteria as spelt out in Section 3.2 of this tender document. The bidders required to submit all required documentation in support of the criteria specified as per the formats specified in this tender document.

2 In any case, in the event of any deviation from the factual information provided by the bidder in technical bid, the deviation can reject the bid and also ban the bidder from participation in any future tenders in the state of Maharashtra.

3 At any time during the bid evaluation process, the SGVS committee may seek verbal / written clarifications from the bidder. The committee may seek inputs from their professional experts in the evaluation process.

4 The committee reserves the right to do a reference check of the past experience stated by the bidder. Any feedback received during the reference check shall be taken into account during the technical evaluation process.

5 The technically shortlisted bidder will be informed date and venue of the opening of the financial bids by SGVS.

4.4 Opening of Envelop - B (Financial Bid)

This envelope of technically qualified bidders shall be opened as per tendering procedure after opening of Envelope No. A (Technical bid). The date and time of opening of financial bids will be published on webside **http:// www.sadbhavanagvs.org.in**

4.5 Award Criteria

a) Evaluation of Financial bids **will be done for all the packages together i.e. total amount quoted by the bidder.**

The TIA shall award the contract to the bidder whose offer/quote has been determined to be the lowest evaluated bid as mentioned above and is substantially responsive to the bidding documents. TIA may negotiate with the L1 bidder and finalise the rate.

4.6 Right to accept any Bid and to reject any or all Bids

The TIA reserves the right to accept or reject any bid, and to annul the tendering process and reject all bids at any time prior to award of Contract, without thereby incurring any liability to the affected bidder(s) or any obligation to inform the affected bidder(s) of the grounds for the TIA's action.

4.7 Notification of Award

a. Before expiry of the bid validity period, the TIA will notify the successful bidder in writing, by registered / speed post or by fax or by email that its bid has been accepted by the Tender Inviting Authority.

b. After cancellation of award of contract with L1 bidder (after forfeiting EMD/ Performance security), TIA reserves the right to call L2 (during bid validity period) and asked to match the rate offered by L1. If L2 accept the offer, award of contract will be issued to L2. If L2 refuse to match rate with L1, then L3will ask to match rate with L1 and if L3 accepts award of contract will be issued to L3 and so on. In such case EMD submitted by L2, L3…will not be forfeited if they refuse to match the rate with L1.

c. The Notification of Award shall constitute the formation of the Contract.

4.8 Contract

Acceptance of work order by successful bidder constitute binding contract between TIA and successful bidder. If the successful bidder fails to give acceptance to work order within the specified period or failed to deposit Performance Security within the time specified period or withdraws the tender; the Earnest Money Deposit of the successful bidder shall stand forfeited and will also be liable for blacklist for participating in any tender published by any government organisation.

4.9 Failure to agree with Terms and Conditions of this Tender

Failure of the successful bidder to agree with the terms & conditions of the tender document shall constitute sufficient grounds for the annulment of the award, resulting which the TIA may call for new bids and at the same time, invoke the performance Security of the successful bidder.

4.10 Payment Terms

Payment will be made by bank transfer (account payee) within three weeks after receipt/submission of following documents, subject to verification of the work by the SGVS project engineer

1. original tax invoice in duplicate (running / final bill)
2. measurement sheet / completion certificate for the executed length, depth and width, duly verified and signed by the qualified civil engineer of SGVS.
3. geo-tagged / dated photographs of the work (before, during and after execution) for the claimed stretch.

Scope of Work: - please see annexure A

Annexure –A

Name of Project: Sawangi Nala rejuvenation under "SBI Gram Saksham" for sustaining rural livelihood and water security project.
Location: Umred Block, Distt. Nagpur (villages Sawangi Kh. and Sawangi Bk.)
Desilting KM: 4.5 km (Nala No. 1: 2,000 m; Nala No. 2: 2,500 m)
Scope of Work:
This Scope of Work defines the vendor scope for the stream desilting, deepening and widening project so that contractors can submit accurate bids and the risk of future disputes is minimised.

1. Pre-Construction & Surveying

- **Site Survey**: Verify existing stream dimensions, cross-sections, and longitudinal slopes before starting.
- **Boundary Marking**: Stake out the exact widening limits and construction buffer zones clearly.
- **Utilities Identification**: Locate and safeguard underground pipes, cables, or overhead lines near the stream.
- **Drone/Photo Logging**: Capture high-resolution pre-construction video and photo documentation of the entire stretch.

2. Site Preparation & Mobilisation

- **Equipment Deployment**: Mobilise heavy machinery including hydraulic excavators, tippers, dumper trucks, and dewatering pumps.
- **Temporary Access**: Construct stable approach roads and ramps for machinery entry without damaging adjacent properties.
- **Vegetation Clearing**: Remove wild shrubs, weeds, debris, and plastic waste blocking the stream bed and banks.

3. Core Execution Works

- **Desilting & Dredging**: Excavate accumulated silt, sludge, and hard compacted deposits down to the natural bed level.
- **Stream Widening**: Excavate stream banks to approved design widths, ensuring a uniform cross-section to optimize water retention.
- **Slope Stabilization**: Grade and compact the stream banks to a safe angle (e.g., 1:1.5 or 1:2) to prevent future soil collapse.
- **Water Channelization**: Implement temporary diversions or coffer dams to manage active water flow during excavation.

4. Silt Management & Disposal

- **Drying & Segregation**: Deposit wet silt in designated on-site drying beds to drain excess water.

- **Waste Haulage**: Transport excavated silt and non-hazardous waste away from the site using covered dumper trucks.
- **Disposal Compliance**: Dump materials only at government-approved municipal or low-lying disposal sites.

5. Water Conservation & Allied Structures

- **Silt Traps**: Construct rock or wire-crane silt traps at entry points to catch future sediment.
- **Recharge Structures**: Create small earthen bunds or loose boulder check dams along the bed to slow velocity and boost groundwater recharge.
- **Erosion Control**: Install stone pitching, gabion walls, or geo-textile mats at sharp bends and high-velocity zones.

6. Safety, Environment, & Quality Control

- **Public Safety**: Install barricades, caution tape, and night-lit warning signage around deep excavation zones.
- **Daily Clean-up**: Keep public roads free of spilled mud or slush during transit.
- **Post-Work Survey**: Conduct a joint final survey with the project engineer to verify completed depths, widths, and slopes against the design plan.

7. Quantities, Rates & Technical Supervision (as per SBI Foundation Grant)

- **Nala Length**: Nala No. 1 (sub-branch passing through Sawangi Kh.) – approx. 2,000 m; Nala No. 2 (passing through Sawangi Bk.) – approx. 2,500 m; total approx. 4,500 m.
- **Design Section**: Channel to be rejuvenated at an approx. width of 8 m and depth of 3 m (desilting, deepening / widening of channel bed and mainstream), as finalised in the detailed technical assessment.
- **Indicative Excavation Quantity**: Approx. 94,500 cum (Nala No. 1 + Nala No. 2). Final quantities shall be as per the BOQ and the joint survey / measurement verified by the project engineer.
- **Rates**: Quoted rates must be in line with / within Government rates (Schedule of Rates). The TIA may negotiate with, or reject, bids that are found above the prevailing Government rates.
- **Technical Assessment**: A detailed technical assessment will be undertaken by a qualified civil engineer to ensure optimal measures; the contractor shall follow the levels, sections and instructions given by the engineer.
- **Purpose of Work**: The deepened and widened channel serves as a rainwater collection system, to be used later for irrigation, livestock or other farm needs; work shall be executed accordingly.
- **Timeline & Reporting**: Work shall be completed within the timeline given in the work order, within the project period of the SBI Foundation grant (July 2026 – June 2027). Work progress shall be reported regularly to SGVS with photographs, so that SGVS can update SBI Foundation.
- **Implementation**: The project is implemented by Sadbhavana Gramin Vikas Sanstha with the support of SBI Foundation (CSR project “SBI Gram Saksham”).

The intervention aims to enhance **livelihood and water security for the farmers in the said region.**
